

# Ipswich Sports Club Guide Application Form

Team Ipswich, set up by Ipswich Borough Council and key partners and led by Karen Pickering MBE is a campaign to further develop sport in the town and make Ipswich the Gateway to the London Olympic and Paralympic Games in 2012. It involves the whole community so that those who live or work in Ipswich regardless of age and sporting ability can access facilities and have the opportunity to reach their potential.

The goal is for Ipswich's top sporting talent to get the coaching and finance they need to reach the highest level and be part of the Olympic and Paralympics teams. The campaign has already won backing from Olympic stars Sir Steve Redgrave OBE, Steve Cram MBE and Daley Thompson OBE.

Local clubs are at the heart of participation in sport and are fundamental to successful levels of participation and achievement. We wish to develop club sport and promote the opportunities of participating in club sport. We invite you to apply for free inclusion in the new Team Ipswich Club Guide by simply completing the short form on the reverse.

## Listings

Following on from the success of previous Club guides the new Team Ipswich Club Guide will exist online through our website, utilising and maximising the opportunities of the internet. This will enable us to guide people to the most accurate information, enhance searches by interested people and allow us to update details regularly.

## Promotion

The Guide will be heavily promoted throughout the town with key facilities printing information from the web for customer enquiries.

All applicable clubs and county associations will be listed and from this a dedicated section for clubs with a Junior Section will be printed, highlighted and distributed to key sites, schools and agencies.

## Profile

Within the printed Junior Section and online version, Clubmark and FA Charter Standard accredited clubs will be profiled as providing a higher quality opportunity with commitment to junior development and community provision.
